

AUTUMN TERM 2025

Nursery

Newsletter and Subjects Overview

WELCOME BACK!

It's wonderful to welcome the children back to school after the summer holidays! All of the children settled beautifully in their first week, bringing with them a great sense of enthusiasm and eagerness to learn. It's exciting to see them smiling and engaging with their friends.

We would like to give a Warm welcome to all of the new children who are starting their learning journey with us this year.

REMINDERS

There will be a Nursery coffee morning on **Wednesday 1st October** in the library. Please drop your child at Nursery and then you will be directed where to go. Please join us and find out more about Nursery routines, what your child will be learning throughout the year and how you can support your child at home.

All the children will have a Library book sent home weekly. Please comment in your child's blue reading record. We would love to hear about the books you are reading at home. The Nursery children change their Library book every Friday so please make sure it is in your child's book bag on a **Friday**.

Please also ensure your child has a named water bottle everyday.

Thank you so much for your continued support in settling your child into Nursery. All of the children are doing so well and we are very proud of them already.

'Be the best you can'

Key Dates

1st October
Nursery Coffee morning

17th October
Independence workshop for EY

28th October - 1st
November
Half Term

4th November
Inset Day

5th & 6th November
Individual photos

7th November
Reading and Phonics workshop for EY

20th December
Last day of Term

AUTUMN TERM 2025

This half term our topic is "Wonderful World of Me". As part of welcoming our new children and supporting their transition, we will be focusing on the children as unique individuals. Together, we will be thinking about what makes each of us special, our families, and our homes. As part of this topic we will be reading the following stories:

- Our House
- Paper Dolls
- Tidy
- Naughty bus
- Mr Gumpy's Motor Car

Our learning will be based on those stories. It would be fantastic if you could read those focused stories to your child at home.

SUPPORTING YOUR CHILD TO LEARN AT HOME

In Nursery, we love to explore the outdoors, especially with Autumn now arriving!

In our Nursery, we have an Autumn table which is for exploring, investigating and asking questions about the world around us. If your child finds something in the natural world, please encourage them to bring it into school so they can share it with their friends and add it to our Autumn table!

LET'S CELEBRATE THOSE MOMENTS!

Your child's learning continues beyond the classroom. We would love to hear about what your child learns out of school. This could be learning a new skill, such as swimming or riding a bike or recognising some numbers in the environment. Please share these 'WOW' moments to the 'Evidence Me'. Here we can see how your child is learning at home. Mrs Borzym will give more information about Evidence Me at the coffee morning.

As your child is starting Nursery, it is really important to talk to them about positive things that happen at Nursery. Ask your child about snack, talk to your child about their friends and which activities they played with. Also talk to your child about your day so that they begin to learn the language used.

Extra information

Please donate £ 1 to support our messy play and cooking activities this term.

Thank you from the Nursery team:

Mrs Borzym

Mrs Corlia and Mrs Jade
