## Let's discuss ...

**The empty bench:** At playtime, someone is sitting alone on the bench and looking sad.

What can you do?

**The nickname:** A child keeps being called a name they don't like. Others start copying it.

What do you think about this?

**The playground chase:** A child doesn't want to play a chasing game but others keep running after them.

If this is  
happening to  
YOU, what should  
you do?

**What can you do to make someone feel included?**

**What could you say if you saw someone being unkind?**
