Newsletter and Subjects Overview

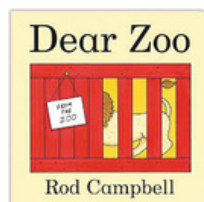

HAPPY NEW YEAR!

It's wonderful to welcome the children back to school after the winter break. They have already achieved so much in just one term, and it's inspiring to see how their enthusiasm and eagerness to learn continues to grow. Their hard work and positive energy has set a fantastic foundation, and we're excited to see them build on their achievements as they take on new challenges and experiences this spring term.

TOPIC BOOKS

This half term our topic is 'Amazing Adventures'. As part of this topic we will be reading the following key texts:

- Jonty Gentoo
- Tiddler
- Aaaaargh Spider!
- Dear Zoo
- Giraffes can't dance
- Roaring Rockets

Our learning will be based around these stories. It would be fantastic if you could read these focus books to your child at home or at the library.

'Be the best you can'

23rd February -
INSET DAY -School
Closed

5th March
World Book Day

10th and 11th March
Parents Evening

26th March
Last day of Term for
Nursery - all sessions

HOW CAN YOU SUPPORT YOUR CHILD AT HOME?

In Nursery, we plan a variety of activities designed to develop the children's motor skills. These activities aim to prepare the children for developing a strong pincer grip, which will support them as they begin learning to write. There are many fun and engaging learning opportunities you can explore with your child at home to help strengthen their motor skills and encourage mark-making.

Additionally, the children in Nursery have been practising writing their names. Please support your child as they begin to form letters and learn to write their name.

REMINDERS

- We have lots of exciting cooking activities planned for our topic 'Super Stories'. We kindly ask for a £1 donation from each child to cover the cost of ingredients. Please bring this in as soon as possible so we can start cooking!
- We will continue to change your child's Library book every Friday.
- Please use 'Evidence Me' to share with us their big and small achievements at home. It might be that your child put their coat on by themselves or can ride their bike for the first time.
- The weather can be quite cold, so it is important that your child comes to school prepared. In Nursery, we spend time both indoors and outdoors throughout the day. If you send your child with a hat or gloves, please ensure they are clearly labelled, as many children may have similar items.
