

Year 4

Newsletter and Subjects Overview

WELCOME BACK!

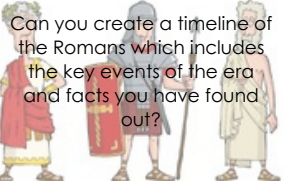

It's wonderful to welcome the children back to school after the summer holidays! They have all made a fantastic start to Year 4, settling in wonderfully and showing great enthusiasm for their learning and the exciting projects they have already begun. We look forward to making this year memorable, providing them with a range of valuable learning experiences and opportunities to grow, learn and flourish.

HOME PROJECTS

The children will be given a table of projects and activity ideas to complete over the Autumn term. These are voluntary, however, should the children wish to complete some of these learning tasks, we would love for them to be celebrated in class on a Friday.

In addition, each Friday, the class teachers will select one child from each year group who has demonstrated exceptional effort in their project. These children will have the special opportunity to present their projects during our weekly 'Celebration Assembly'.

Narrative Write a short letter to someone pretending you have gone back in time to Roman times. 	Teacher time Can you create a poster to teach somebody about place value, addition and subtraction or anything else of your interest? 	Timeline Can you create a timeline of the Romans which includes the key events of the era and facts you have found out? 
Science Design a poster to show the different classification groups. 	Board game Can you create your own maths board game, which involves answering questions on place value? 	Surprise Mrs Freychet-Stevenson & Miss Fullalove What do you want to show us about one of our topics or anything of your own interest? Do you have a unique way of presenting your work? 

'Be the best you can'

Parents' Evening

26th - 30th October
Half Term

2nd November
INSET Day

5th November
Individual Picture Day

4th November
INSET day

18th November
End of Autumn Term

This term, Year 4 will be exploring a range of writing genres including poetry, narratives, persuasive letters and non-chronological reports. Through these activities, they will develop their creative and expressive skills.

The class will also dive into some exciting books such as The Miraculous Journey of Edward Tulane and The Firework Maker's Daughter which will inspire their writing and deepen their understanding of storytelling.

In school we have copies of the books but children are welcome to bring their own.

MATHS

Year 4 will be focusing on several important topics in maths, including:

- Place Value
- Addition
- Subtraction
- Multiplication
- Division
- Area

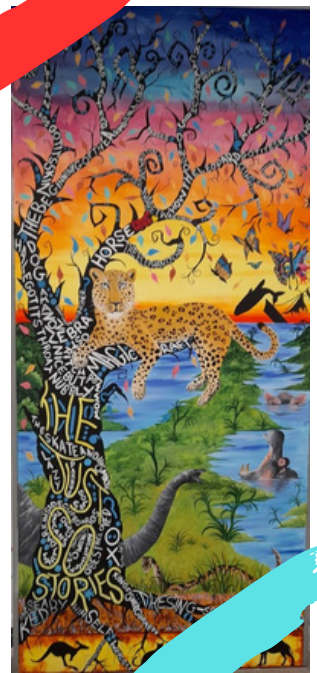

TOPIC

In the Autumn term, our first topic is 'The Rotten Romans'. We will be learning about how the Romans expanded their empire and how they invaded Britain.

Our second topic is 'Marvelous Merton'. Understanding the features of a river and how people use rivers.

If you have any resources at home that you would be happy to share with our class, feel free to bring them into school.

Extra information

PE DAYS:

Thursdays and Fridays

Children should come in wearing their PE kit.

Thank you from the Year 4 team Mrs Freychet-Stevenson and Miss Fullalove Miss Hayley & Miss Claire
